For all rentals, the Yacht Club will need three things:

- A completed application (the rental period you request on your application should include the time you need to set-up and to clean-up). **Any extra time will be billed to you at full rate.**
- One check or money order for the rental rate (see above) which includes the time you need to set-up and clean up and maintenance/restocking fee.
- A separate check or money order for the $350 security deposit (the security deposit check will only be cashed if policies and procedures are not followed per guidelines).

Once we receive all three items, we can book your reservation if your requested date is available. You can check the YBYC website (yaquinabayyachtclub.org) to see if your reservation is confirmed on our calendar.

***Please note the following for Evening or Day/Evening rentals:**

- Unless an exception is made, guests must depart at or soon after midnight. You are allowed to clean after guests depart.
- Per Newport's Noise Ordinance, noise must be reduced after 10pm. Bands may not play outdoors after 10pm and exterior doors need to be closed at 10pm.
- **The maximum DAY/EVENING rental is 10 hours.**
